HANOVER TOWN LIBRARY REPORT

Volumes given: 1 vol. by Mrs. Ralph Staebner; Town books 56.

The whole number of volumes in Library at this time nearly 4,000, including reports, pamphlets unnumbered, which accumulate in a Library every year. Five books bought with fines, making in all the books bought for Library 61.

VITAL STATISTICS

To the Selectmen:

In compliance with an act of the legislature passed June session, 1887, requiring clerks of towns and cities to furnish a transcript of the records of births, marriages and deaths, to the municipal officers for publication in the annual town report, I hereby submit the following.

Respectfully,

GEORGE M. BRIDGMAN, *Town Clerk*

EXPLANATION REGARDING STATISTICS

The following statistics include the births and deaths occurring in the Mary Hitchcock Memorial Hospital during 1921, which do not properly belong to the town. Sixty-six were children born there of mothers from other towns, and thirty-five from other towns died there. Taking these from the numbers given in the tables, the record for Hanover would be thirty-six births and twenty-seven deaths.

Adjourned at 9.20 P.M.

IRA W. LEAVITT, Clerk.

The Precinct Commissioners present their report herewith for the year ending Jan. 31, 1922. A few items of the report which are somewhat out of the ordinary are as follows:

Reo Truck	1 930 00	
Buffalo Scarifier	1 198 92	
Street drainage	2 709 93	
State Aid Construction,		
Park St.	3 755 58	
Wheelock St.	3 165 66	6 921 24

State Aid Maintenance,			
Wheelock	4 853 71		
Main	2 142 64		
Lebanon	1 404 08	8 400 43	
Trunk Line Maintenance	8 202 04	8 202 04	

This makes a total for State Aid Road work of \$23,523.71 in place of an estimated expenditure of \$17,000.00. This was made possible by an agreement with the State Highway Department by which funds of the Precinct were transferred from State Aid Construction to State Aid Maintenance. This transfer was very advantageous to the Precinct as on all this money transferred the Precinct received fifty cents from the State, instead of twenty cents, for each dollar spent. This additional amount from the state took care of the additional expenditure.

The truck was bought because it was found the old truck would not do the work required of it. The scarifier was bought because it was absolutely essential in view of the large amount of repair work to be done on the highways.

The street drainage was put in on an offer from Dartmouth College to pay half the expense if the drains on Crosby Street and South Park could be put in at once. This offer was accepted and the work was done.

The total expenditure beyond the budget of about eleven thousand dollars leaves a total deficit of only three thousand dollars for the year. If the regular budget for the next year is voted with an item to make up this amount the Precinct tax will be \$11,500.00 for the year instead of \$10,500.00 as last year. If the deficit is spread over a period of one or two years the Precinct Tax may be the same as last year or one thousand dollars less.
